Consolidated Project Report

Prepared by: Manoj Yadav
Branch: Computer Science Engineering (CSE)

This report consolidates the screenshots of the completed web development activities into one PDF document.

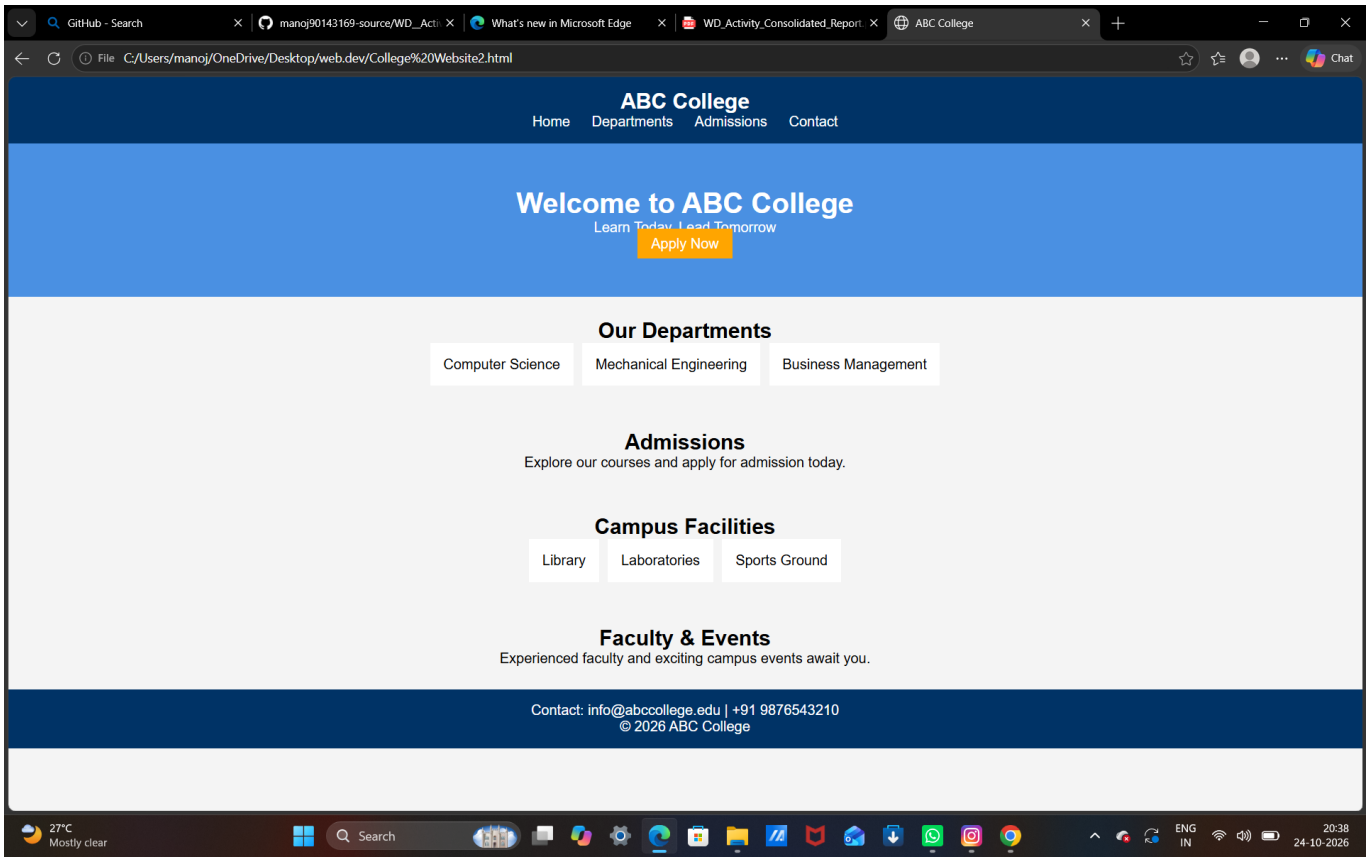

1. College Website

A college homepage featuring navigation, a welcome banner, departments, admissions, campus facilities, faculty and events, and contact information.

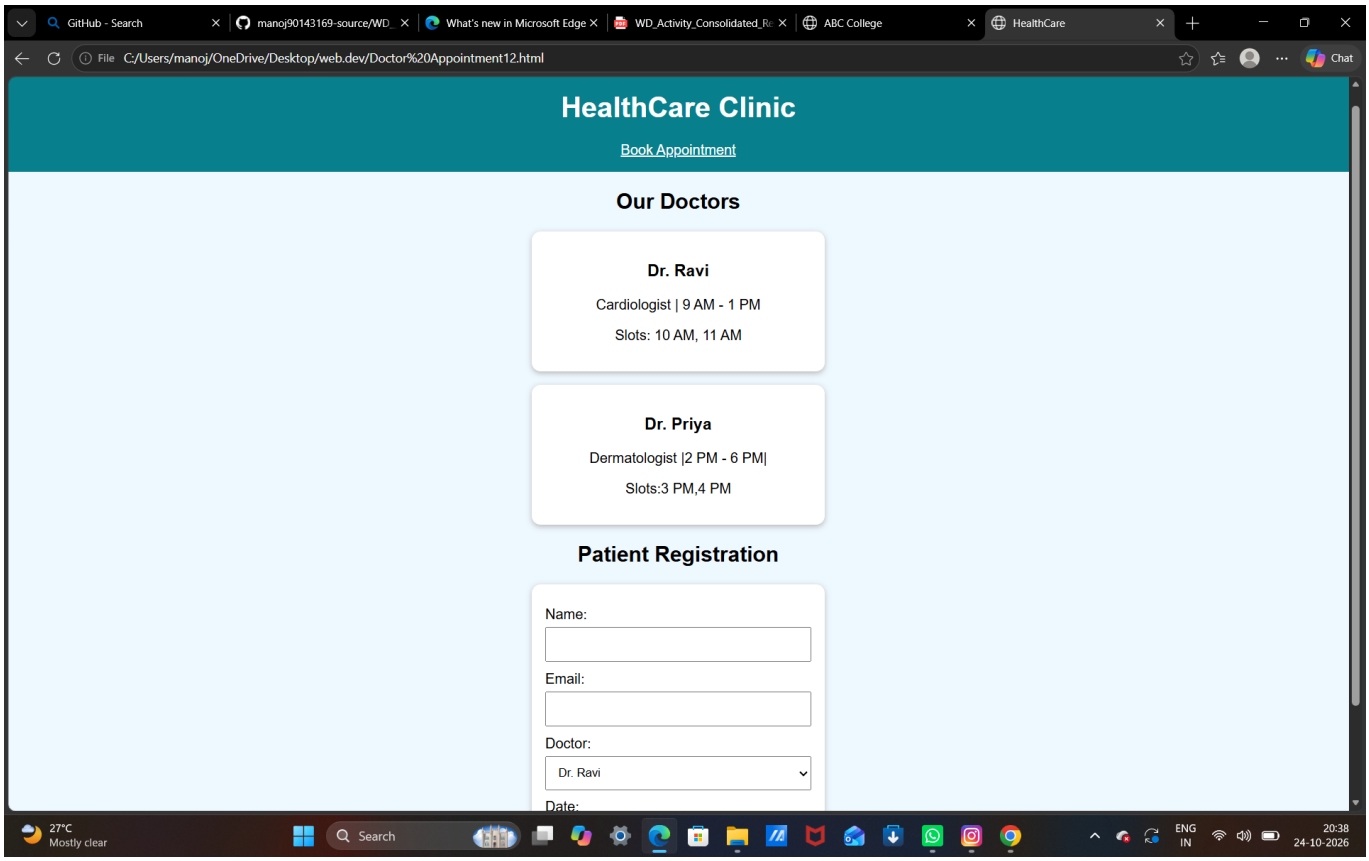

2. Healthcare Clinic Website

A clinic page showing doctor profiles, specializations, consultation timings, available appointment slots, and a patient registration form.

3. Food Restaurant Website

A restaurant page featuring menu items, food images, prices, order buttons, customer reviews, and a footer.

4. GitHub Repository

The GitHub repository view showing the web development activity files and the project README.
